

Share your love of CROCHETING and KNITTING by teaching just two people— and we'll soon have the whole world crocheting and knitting.

You don't have to be an expert crocheter or knitter to teach the basics. Whether you've been crocheting or knitting for two weeks or twenty years, you can join the Craft Yarn Council of America in its new campaign—EACH ONE TEACH TWO. If you teach two people, and each of them teaches two more people, and those all teach two more—well pretty soon everybody will be sharing your love of this fun and rewarding skill.

Let us know how many new crocheters or knitters you've started on their way, and you can participate in a Teacher's Award Program! Complete the form below and send it to us each time you teach someone new to knit or crochet. We'll have regular drawings from the names of teachers and the winners will receive a prize.
