

Tassel Rug

Handmade by Boye®

SUPPLIES & TOOLS:

- Boye® Pom Pom Tassel Maker
- 3 Skeins Yarn in three different colors
- Sewing needle and matching thread
- Purchased Rug
- Scissors

DIRECTIONS:

1. Make approximately fourteen 6.25" multi-colored tassels according to packaging instructions. You may need more or less depending on the size of your rug. We spaced ours out approximately every 3". To make multicolored tassels, wrap the first color around approximately 10 times and then switch to the second color, filling in right next to the first. Continue for the third color until the width of the tool has been filled.
2. To attach tassels to rug, use a hand sewing needle and matching thread to attach the head of the tassel to the very edge of the rug, making sure to secure with a knot or two on the underside of the rug.
