

Tassel Wall Hanging

Handmade by Simplicity Creative Group

SUPPLIES & TOOLS:

- Boye® Pom Pom Tassel Maker
- 7 Skeins of Yarn (in desired colors and varying thicknesses)
- 1 Piece Copper Pipe (in desired length)
- 1 Roll Baker's Twine
- Scissors

DIRECTIONS:

1. Following packaging instructions, make as many large tassels of each color yarn with tassel maker as desired. We made 35.
2. Attach seven long strands of baker's twine to copper pipe, making sure to evenly distribute them.
3. Attach tassels to baker's twine, varying the lengths by cutting one end of each piece of twine shorter.
4. Attach the remaining tassels to additional lengths of baker's twine and tie to the lengths already attached to the pipe at varying heights.
