To attach a pom-pom, thread a yarn needle with one yarn end used to form the pom-pom. Sew the pom-pom to a wire, inserting needle through the center of the pom-pom several times, ending on the front side of the wreath. Repeat with the remaining yarn end, ending with the yarn ends close to each other. Tie the yarn ends in a knot and trim the ends to blend with the pom-pom.

Thread a yarn needle with the long ends of any Curlique and insert it through a wooden bead. Repeat with remaining Curliques. Using the long ends, tie the Curliques to the wreath form and fluff the yarn ends. If desired, extra yarn strands can be tied to the Curliques.
