## INSTRUCTIONS

Make 16 pom-poms of each color yarn, tucking the long ends into each pom-pom and trimming them to blend.

Using photo as guide for placement, alternate pom-pom colors across each side of the pillow, using sewing needle and thread to attach.

## GENERAL INSTRUCTIONS POM-POM

Cut a piece of cardboard 3" (7.5 cm) wide and as long as you want the diameter of your finished pom-pom to be.

Wind the yarn around the cardboard until it is approximately ½" (12 mm) thick in the middle (*Fig. 1a*).

Carefully slip the yarn off the cardboard and firmly tie an 18" (45.5 cm) length of yarn around the middle (*Fig. 1b*). Cut the loops on both ends and trim the pom-pom into a smooth ball (*Fig. 1c*). Trim the ends to blend with the pom-pom.
