KEY RING

POM-POMS

Following package directions, make Pom-poms in sizes as desired. Leave long yarn tails on the yarn strand you use to tie each Pom-pom.

TASSELS

Use the 4 x 9 in. (10 x 23 cm) piece of cardboard to make small and large tassels as follows:

Wrap yarn around either the short or the long sides of the cardboard as many times as desired.

The more wraps, the fuller the Tassel.

Cut a length of yarn and thread into blunt needle.

Insert needle under all wrapped strands at upper edge of cardboard. Pull tightly and knot securely near strands. Don't trim the ends of the tying strand!

Cut yarn loops at lower edge of cardboard and remove cardboard.

Cut a length of yarn twice the length of the Tassel.

Wrap the length around the Tassel, about 1 in. (2.5 cm) below top knot.

Knot securely, then thread ends into blunt needle and weave into center of Tassel.

Trim Tassel ends evenly.

FINISHING

Tie Pom-poms and Tassels onto Key Rings.
